

Ryan J. Pike, NCIDQ, CID

Senior Designer

Mr. Pike joined Design Services, Inc. in 2011 where, as a team member of a small firm, Mr. Pike especially likes that he is “afforded opportunities to work on many aspects of a project, from detailing and material specs, to actual design and client contact.” He has overseen projects in their entirety from concept to completion. His success at managing complex projects, client relationships and creative teams attests to his skill at applying strong business principles and people skills to the creative and problem-solving process.
